# Abundant Gifts

*A catalog of gifts supporting the  
Good Shepherd Day School*

**2019 - 2020**

*With this year's Abundant Gifts catalog, you can make a positive impact on the lives of children and staff at the Good Shepherd Day School, and at the same time show your love and appreciation to family and friends (without lavishing gifts on them that they don't really want or need). Gift shopping has never been easier!*

Good Shepherd Day School has served the community of Rocky Mount for 60 years. Starting out as a kindergarten program for parishioners, it is now a state-accredited, five-star rated, day care center that serves a socio-economically, racially, and religiously diverse population. An average of 50 children, from six-weeks to five years old, spend their day in a structured environment full of love and care.

Good Shepherd is committed to providing the same educational opportunities to all children. However, not all families can afford the additional cost for classes like karate and dance (roughly one-half of the families receive subsidies through various organizations, including Edgecombe and Nash County Social Services). Your gifts will help ensure that each child can participate.

You can also contribute to the Day School's unique outdoor education program. Rubber pants and rain boots are necessary gear for outside fun in all weather – but they are also expensive.

And nothing at the Day School would be possible without the early childhood care professionals who intellectually and emotionally nourish the children until they are ready to leave for kindergarten. Even though Good Shepherd has been working on increasing salaries for these wonderful teachers, they are still underpaid – every dollar you donate to the teacher fund will be used for well-earned bonuses.
